

# Transferring Ink 3

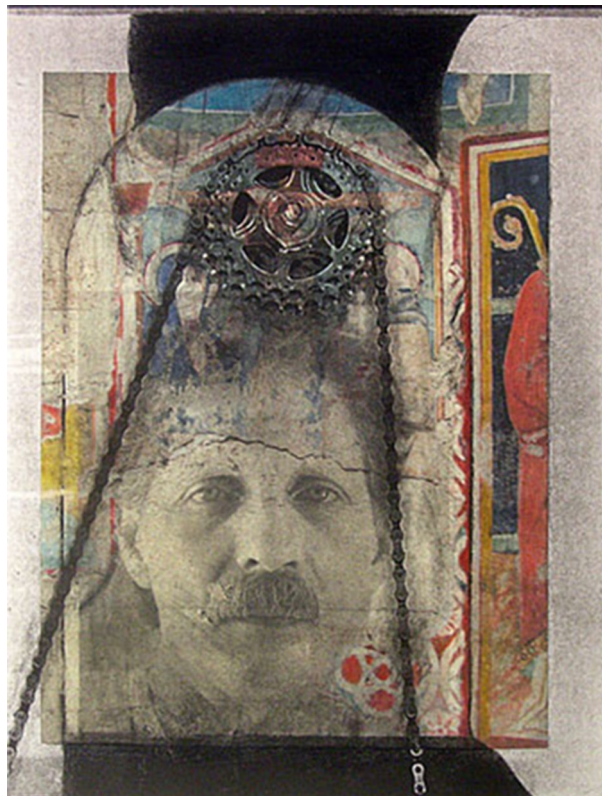

June 29 - August 10, 2014

Fallbrook Art Center proudly presents an exhibition of contemporary printmaking with an accompanying group of works by juror  
Ron Pokrasso

**Opening Reception Sat June 28 5-7pm**

Presented in The Janice Griffiths Gallery at the Fallbrook Art Center

Juror & exhibiting artist Ron Pokrasso uses various forms of printmaking as tools rather than as ends in themselves. Often his prints are the basis for works that continue as paintings, collages, and assemblages. The 90 works Ron selected for this exhibition were chosen to show both technical expertise and an emphasis on the continuation of printmaking as a vital tool for art making on all levels.
